A QUICK HISTORY LESSON

WD-40 Multi-Use Product began as rocket science! Originally designed by the Rocket Chemical Company in 1953, it took scientists

40 formulations to perfect this unique water-displacement technology. Dubbed Water Displacement 40th attempt, the product was later shortened to the iconic WD-40.

SO MANY USES!

WD-40 Multi-Use Product boasts over 2,000 uses. Check out the list on wd40.com.au
