350mm

002-498035

- German Manufacture
- Large LCD display
- Measures 0 - 185°
- Horizontal and vertical vials
- 1.9v battery
- Protected on/off switch

520mm

002-495050

- German Manufacture
- Large LCD display
- Measures 0 - 185°
- Horizontal and vertical vials
- 1.9v battery
- Protected on/off switch

750mm

002-495075

- German Manufacture
- Large LCD display
- Measures 0 - 185°
- Horizontal and vertical vials
- 1.9v battery
- Protected on/off switch

1050mm

002-495105

- German Manufacture
- Large LCD display
- Measures 0 - 185°
- Horizontal and vertical vials
- 1.9v battery
- Protected on/off switch

Specifications	
Angles	10 - 185°
Horizontal and vertical dials for standard levelling.	
Power	1- 9v Battery protected switch
Low battery indicator	
Digital readout to 0.1°	
Weight	350mm - .8kg
	500mm - 1.0kg
	750mm - 1.2kg
	1050mm - 1.7kg
