

Did you know that we lose someone from the construction industry  
**every second day** to suicide?

That's around **200 preventable deaths** of our workers, every year.

That's someone's, dad, husband, wife, workmate, sister, partner.

**Suicide is preventable** but we can't do it alone.

We need your support to help us change the culture of our industry  
and save the lives of our men and women who are struggling.

**Now more than ever.**
