

ECO.30

MAGNETIC DRILLING MACHINE UP TO Ø 30 MM

DOVETAIL SLIDE
New Euroboor dovetail slide provides more stability during drilling.

GRIP
The renewed ergonomical grip makes the machine easy to handle.

The ECO.30 is light and super fast. Weighing in at only 8.5kg, the ECO.30 packs a punch. The lightest drilling machine on the market, it will drill a 14mm hole through 12mm steel plate in only 5.9 seconds.
