

# Electric G13SQ2 (H1Z) 125mm 900W Angle Grinder with Paddle Switch

For more information please  
visit the HiKOKI Power Tools  
Australia website  
[hikokipowertools.com.au](http://hikokipowertools.com.au)

## Features

- The high power 900W motor provides more productive work time
- Smallest grip circumference in its class of 168mm
- The stator coil has fluidized bed coatings that resist wear caused by dust
- The paddle switch is large and easy to use. Gripping any part of the tail cover enables the user easy access to the paddle switch
