

HAND TORCH

Portable brazing and heating torches are an essential item for plumbers and service industry technicians for many applications.

HAND TORCH

Designed to fit directly to a MAP-Pro™ (or equivalent) Cylinder, the Tesuco Hand Brazing Torch comes with Piezo auto-ignite functionality. With an aluminium handle, and a stainless steel barrel and tip, it is durable and reliable. The swirl flame tip gives a stable flame in the wind, better combustion and an expanded heat zone with a flame temperature using MAP-Pro™ gas of 1315°C.
