

PREMIUM RESPIRATORY PROTECTION

The Maxisafe Premium range offers a solution for every situation and application

- > Certified to AS/NZS 1716:2012 Lic 22110
- > Complete range of masks, filters and ready-to-go kits

there's safe and there's Maxisafe.

RRS01 EXTREMELY LIGHTWEIGHT

Size	M, L
Weight	Approx. 110g (Without filters)
Material	Face Blank: TPE (Thermo Plastic Elastomer)

- > **Comfortable Surface**
Designed to prevent uncomfortable sticky surface of face blank to user's face even under heavy sweat conditions.
- > **Easy to Wear**
Easy adjustment of strap length. Just fastening the buckle on the back of the neck.
- > **Slim Shape**
Exhalation and inhalation valve mechanisms are embedded in the facepiece.

Extremely Lightweight 110g!!

(Lighter than 3 golf balls (About 138g))
One of the lightest facepieces in the RPD market. With particle filters P3R attached still weight only 150g.

RRX01 EN140:1998 COMFORT

Size	M, L
Weight	Approx. 180g (M) (Without filters)
Material	Face Blank: Silicone Rubber

- > **Comfortable Face Fit**
Soft silicone rubber for more comfort.
- > **Speech Diaphragm**
For improved communication.
- > **Metal Free**
Full incinerable.

HALF MASK KITS

Maxisafe Premium Respirator Kits

Maxisafe's cost efficient respirator kits come complete with half face respirator and a pair of filters conveniently packed in a resealable storage container, providing protection for the respirator and filters.

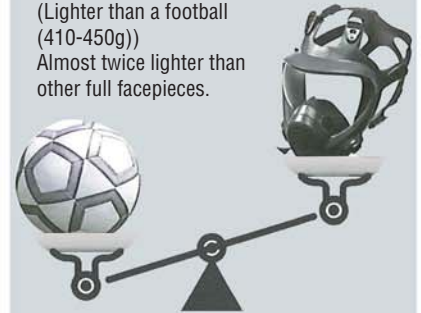

RCF01 EN136:1998 Class 1 ULTRA LIGHTWEIGHT

Size	S, M, L
Weight	Approx. 335g (M) (Without filters)
Material	Face Blank: Styrene TPE (Thermo Plastic Elastomer) Harness: Urethane TPE (Thermo Plastic Elastomer) Eyepiece: Polycarbonate

- > **6 POINT HARNESS**
Reliable fit to wearer.
- > **Superior Spherical Lens Eyepiece**
Use of protective eyewear design technique eliminates distortion and provides clear visibility.
Anti scratch coating.
- > **Speech Diaphragm**
For improved speech.
- > **Metal Free**
Fully incinerable.

Ultra Lightweight 335g!!

(Lighter than a football (410-450g))
Almost twice lighter than other full facepieces.

RCX01 EN136:1998 Class 2 WIDE VIEW

Size	S, M, L
Weight	Approx. 610g (M) (Without filters)
Material	Face Blank: Silicone Rubber Harness: Natural Rubber Eyepiece: Polycarbonate

- > **Twin Double Cushion**
Secure fit to various facial contours.
- > **6 Point Harness**
Reliable fit to wearer.
- > **Wide View Eyepiece**
Broad field of vision.
Anti scratch coating.
- > **Silicone Double Face Seal Design**
Secure fit with comfort.
- > **Speech Diaphragm**
For improved communication.

Welder's TPE Kit

- RRS01WK
> Includes TPE half mask respirator
> P3R particle filters

Painter's TPE Kit

- RRS01PK
> Includes TPE half mask respirator
> A2 Gas Filter Cartridges
> P2RC particle filter and ret caps

Chemical TPE Kit

- RRS01CK
> Includes TPE half mask respirator
> ABEK1 Gas Filter Cartridges
> P2RC particle filter and ret caps

Welder's Silicone Kit

- RRX01WK
> Includes Silicone half mask respirator
> P3R particle filters

Painter's Silicone Kit

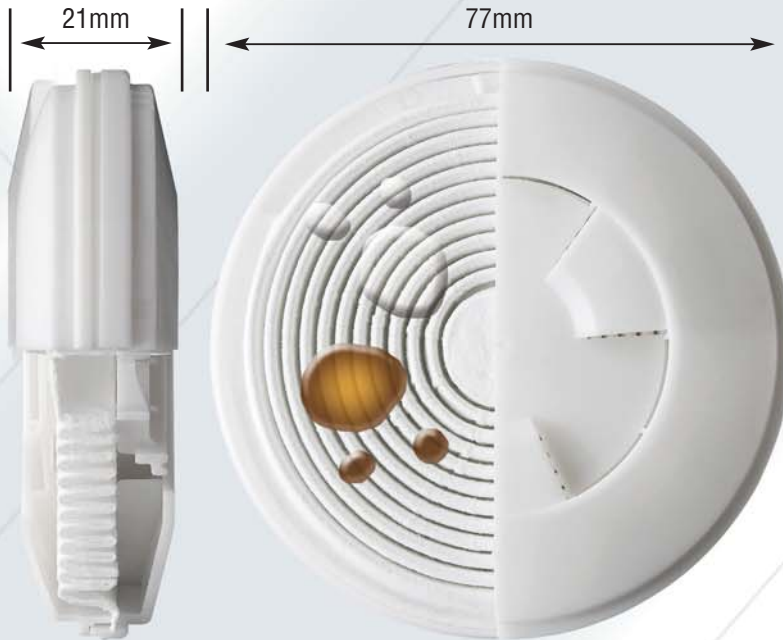

- RRX01PK
> Includes Silicone half mask respirator
> A2 Gas Filter Cartridges
> P2RC particle filter and ret caps

Chemical Silicone Kit

- RRX01CK
> Includes Silicone half mask respirator
> ABEK1 Gas Filter Cartridges
> P2RC particle filter and ret caps

COMPACT & LIGHT Water and Oil Repellent Effects

Prevent penetration from solid or liquid particulates!

Particle Filters

	RP3R EN143:2000 P3	Colour code <input type="text"/>
Dimensions	Dia	Height
	77mm	21mm
	RP2R EN143:2000 P2	Colour code <input type="text"/>
Dimensions	Dia	Height
	77mm	21mm

Combined filters

Attach P3RC/P2RC to gas filters if atmospheric contaminants contain gases and mixed solid or liquid particulates.
