

3/4" Air Operated Diaphragm Pump AI/PP

DDP19

- Double diaphragm pump
- Aluminium and polypropylene construction
- Flow rate 45L/min
- Inlet/outlet 3/4" NPT
- Maximum air pressure 690kPa (100psi)
- Wetted materials - polypropylene, acetal and buna-N, aluminium
- Self priming
- Can be run dry for short periods without damage to pump
- Center porting on inlet/outlet
- Not suitable for flammable liquids

Aluminium & polypropylene construction

Inlet/outlet 3/4" BSP
